SIMPLY THE BEST IN FIAP

“Belene” by Paul Keene EFIAP DIAMOND 3

Paul Keene, a member of Smethwick PS, has been one of the leading UK photographers for many years. He now holds the highest distinctions, not only from PAGB, with his 'Masters' and the RPS with a 'Fellowship", but he now also holds both the top distinctions from FIAP. Having gained in 2003 what was then the top exhibitors award of EFIAP Platinum he went on to gain his MFIAP in 2014.

All of these the distinctions, apart from MFIAP of course, have relied mainly on gaining large amounts of acceptance for different photos, from different salons, in different countries. Yes, the portfolios for EFIAP Levels from Bronze to Platinum require a portfolio of award winning images, but the emphasis is still on acceptances.

In 2015 FIAP introduced three new exhibitors' distinctions, to raise the bar, with only holders of EFIAP Platinum being eligible to apply. Called EFIAP Diamond 1, EFIAP Diamond 2 and EFIAP Diamond 3, these new distinctions are based solely on **awards** received from international salons patronised by FIAP. Almost immediately Paul set about achieving these distinctions, which must be gained in sequence, each one at least twelve months apart from the previous.

At the first opportunity, which was the 2016 submission of applications to FIAP, he gained the Diamond 1 distinction, quickly followed, in 2017, by Diamond 2.

Sure enough, this year, he has achieved the top distinction of Diamond 3.

Put in simple terms this means that, over a three year period, Paul has gained more than 200 different awards, from at least 50 different photos, from salons spread over a minimum of 10 different countries. That he achieved this, with substantial margins to spare at each stage, is surely a testament to his ability and skill as a photographer as well as to his dedication and commitment.

Paul is the first member of any PAGB club to gain the EFIAP Diamond 3 distinction and he gained it in as fast a time as was possible.

Well done Paul!

It will not escape your attention that, with Colin Harrison and Barry Mead, we have also achieved Two EFIAP Diamond 2. Colin has referred us to this celebratory video.

FIAP DISTINCTION RESULTS FOR 2018

Our 2018 submission of applications for Distinctions was again the largest from any country in the world with a total of 125 successful applications, including our first ever for EFIAP D3, and with every application submitted to FIAP being successful. The PAGB offers its sincere congratulations to every one of our successful applicants for this superb result, not only for you all, but also for PAGB.

Finally, a short note to say thank you to all those people who have recorded, either by email or on social media, their thanks and who have expressed kind comments regarding the efforts of Sheila and myself. They are greatly appreciated. We do this work because, like so many others in 'organised photography', we get a great deal of satisfaction out of being able to help others. It goes a long way to putting something back into the hobby that has given us so much pleasure. So once again thank you and we look forward to hearing from most of you again in the future. Dave Coates
