

## Photographic Alliance of Great Britain **e-news 140**

# NEW LOOK, NEW WEBSITE FOR e-news

We are delighted to announce a completely new website dedicated to PAGB e-news. You will be able to browse previous issues and even search for particular subjects by keywords. Many of you have reported your disappointment in the past that you were not able to enlarge the pictures in e-news as they very quickly became "pixelated". Now we will be able to load many of the pictures for each issue on to the e-news website where you will be able to browse them more comfortably. Check out the more recent back issues to see how this will work.

*Registered "subscribers" will continue to receive an e-mail notification of each issue and will be able to download it and read it before anyone else. Please encourage all of your club members to sign up using the simple form. Details will be stored securely and confidentially and will never be used for any other purpose than sending e-news and related information.*

## Welcome to e-news from the PAGB

e-news will keep you bang up to date with all PAGB events, competitions and results.

e-news is not published to a fixed schedule but is issued as and when there is sufficient material. There are some periods when it is quite frequent and other times when not much is happening. Every time you receive e-news you will be given the option to unsubscribe. Obviously we hope that you will enjoy the newsletter and that you will stick with us.

We would encourage you to invite interested people to register to get their own copies. You can, of course, forward the link to other Club members but remember, if they click the unsubscribe button, YOU will be removed from our circulation list. We are very happy to add all of your club members! Just ask them to use the Sign Up button on this page.

When you sign up your address will be retained confidentially and securely and you will be sent a personal e-news notification. Your address will never be made available to any commercial organisation, nor will it ever be used for any other purpose than sending e-news and related supplementary information.

**PermaJet support a leading team of respected, award winning camera club and society lecturers, providing inspirational talks across the UK.**

Each PermaJet lecturer brings their distinctive style to their talks and provides informative and stimulating ideas that Camera Club members can build into their own photography work.

After your club talk you will have discovered the best PermaJet media to print your images onto and be able to make inspired decisions on the way you choose to take your photos.

Irene Froy, PermaJet Lecturer  
EFIAP, MPAGB, Hon.PAGB

**Don't worry about location, our 22 lecturers cover the whole of the UK!**

Go online to see all lecturers and to book a talk for your club:

## **Our commitment...**

PermaJet have a continued commitment to help educate PAGB members by explaining the mysteries of ink output and colour management.

PermaJet's Print Expert is available to give a 'Colour Management' lecture at your club to help you achieve the best possible print quality from your own printer, every time. Attendees will learn about correctly managing their images, from ICC Profiles, paper types, lighting conditions, monitors and settings.

Contact PermaJet today to book your event: [info@permajet.com](mailto:info@permajet.com)

# IRENE FROY

MPAGB EFIAP BPE4\* HonPAGB

Irene joined her first club, Dundee P.S., when she was just 17. A few years later she met Gerry. They married, in 1966, and moved to Hitchin in Herts, where she joined Shillington and District C.C., then a little village club. Her influence over the next 38 years, backed by an enthusiastic committee made S&DCC the outstanding club in the area, and one that was well known on the national stage. Irene also served for 24 years as the EAF Events Secretary, concurrent with two years as EAF President and 4 years as Judges Officer.

*"I started lecturing in 1973 with slides and later with darkroom prints. I converted to Digital in 1998 and found PermaJet in 2000 thanks to Eddy Sethna. Their support has allowed me to produce a new lecture every year since. My first experience of judging was in 1975 when, having just finished an EAF Judging Course I was asked to stand in for a huge "Slide of the Year" competition - with only an hour's notice there was no time to panic! Professor Margaret Harker was in the audience and boosted my confidence with her praise afterwards."*

Irene was inspired by many great photographers, Sam Haskins, Terry Fincher, George Pollock, Vic Atfield and Nobby Fry, some of whom she persuaded to visit Shillington and the EAF. *"Charles Todhunter opened my eyes to back lighting and Gerry says I raved for a week after that talk! For many years contre jour lighting was my trademark in slides and darkroom prints, but then digital allowed me to get into pastels, which I thoroughly enjoy, coming up with white layers to increase the effect."*

We all know Irene's favourite places through her wonderful photographs. France, especially the Pyrenees, the Alps and the mountainous areas of Provence, the Hebrides in Scotland and the Dingle peninsula in Ireland. Mostly rendered in her unique pastel style.

Irene and Gerry moved to Shropshire in 2005 where she runs very popular digital workshops, at Wrekin Arts PC, passing on her enthusiasm and her skills. Irene has also produced a series of CDs as a way of showing her work to clubs and photographers who she can no longer visit, quite so regularly. Each CD will happily fill an evening at your Club and they are available through her website at <http://www.irenefroy.com/news.htm> where you can also find more information about the Workshops and also her recent photobook, "My France"

Irene was awarded the Fellowship of the Royal Photographic Society in April 1994 with darkroom Colour Prints, but, having resigned from the RPS in 2010, she is no longer able to use FRPS in her list of distinctions. In March 1997 she was invited to membership of the London Salon of Photography. She gained EFIAP in 2000 and MPAGB in April 2007. For her Services to Photography, Irene was awarded the APAGB (Award of the Photographic Alliance of Great Britain) in 1985 and then, in 2004, the J S Lancaster Medal (HonPAGB) for Exceptional Service to Photography.
