FIAP Distinctions for Photographic Merit

There are TEN distinctions for photographic merit: nine in ascending grades, and the separate MFIAP distinction. The fee for an application is currently £60, except for MFIAP where the fee is 120.

FIAP is organised to support Club photography, and only members of Clubs affiliated to a National Association, such as the PAGB, may apply for FIAP Distinctions. Except for MFIAP, each distinction must be obtained in sequence: at minimum on an annual basis.

Anyone interested in the FIAP distinctions via the PAGB must study the information on the PAGB website, including the separate page about the FIAP Life Card. Reference documents about the distinctions are provided on the website at <http://www.thepagb.org.uk/fiap/fiap-distinctions/>.

- [Criteria for FIAP Distinctions](#)

- [Applications Timetable](#)

(Please note that Scotland and Wales were members of FIAP prior to the PAGB. Scotland has maintained its membership continuously and the Welsh P.F. renewed its membership several years ago and members of both apply separately for FIAP Distinctions. In those Federations information about applying for FIAP Distinctions is given on their websites.
